

# KSHUMAT ENERGY PVT LTD

***Ayaz Versey** – “We founded KEPL with an objective to do our bit to contribute to India's Energy Independence. By providing an eco friendly substitute, we aimed to help India on it's journey towards a greener tomorrow. Our journey would have been different without the financial assistance & support we received from ONGC. We thank ONGC who put together an incredible team of mentors who provided us with invaluable guidance and made helpful connections.”*

***Reema Versey** - “Supplying to the OMCs was a dream for our company which wasn't achieved due to lack of funds and working capital. However, ONGC realized our potential and helped us make this dream a reality. With ONGC as a partner, growth has been consistent and quick due to their assistance on various fronts and helping us acquire new assets.”*

Incepted in the year 2017, **Kshumat Energy Pvt Ltd** is one of the distinguished business names immersed in the arena of manufacturing and service providing of economical & eco-friendly biofuels. Delivering across the country KEPL has gained trust amongst its customers because of its quality and service.

**Vision:** *Leading the way to be forerunners in the renewable energy space by putting innovation at the heart of manufacturing. To become a socially responsible & profitable organization by using next generation advanced technologies to manufacture the highest quality Biofuel.*

**Mission:** *To make our company & its products a one stop solution for an eco-friendly way of life and a Greener India. To contribute to safeguarding India's energy supply by using the latest technologies and reducing CO2 emissions; ultimately leading the way towards climate protection & a sustainable future.*
