

TIKENDRA YADAV
Chief Executive Officer

The ONGC startup fund is a flagship initiative by government of India. With the support of ONGC , we are able to further expand our operations , managed to increase team size and also enhanced technology in our operations. Their belief in our vision bolstered our confidence and credibility, opening doors to valuable networks and partnerships.

SANDEEP THAKUR
Chief Operating Officer

With financial backing, we amplified our marketing efforts, enhanced user experience, and scaled operations swiftly. This support enabled us to innovate, adapt, and thrive in a competitive landscape, ultimately elevating our brand and customer reach."

PRATIK KATHIL
Chief Product Officer

Funding injected vitality into our e-commerce startup, fueling its growth and expansion. However, -with ONGC startup fund team , apart from fund support , we have also received operational and business support in tieup like with MRPL
